Re: Culbreath v. Griffin, 17 CV 3406 (KMK)(LSM)

Dear Judge Smith:

This Office represents Defendants Griffin, Tokarz, and Nagy ("Defendants") in the above-captioned case. We write to respectfully withdraw our request to have the name of the Ready Emergency Data ("RED") book redacted from the Court's August 12, 2019 Order and the transcript of the July 24, 2019 status conference. (See ECF No. 131). It has recently been brought to our attention that the name "RED book" is referenced in publicly available materials, and has been identified in other publicly filed submissions, although involving security concerns of a different nature at a different correctional facility. Our request for redactions of [REDACTED]

[REDACTED] of the RED book in the August 12, 2019 Order, remain unchanged.¹ Similarly, our request to redact Officer Huttel's deposition testimony as well as the term [REDACTED] calculations referenced at the July 24, 2019 conference remains unchanged.

We thank the Court for its consideration.

Respectfully Submitted,

/s/

Julinda Dawkins

Assistant Attorney General

Enc. (submitted to Chambers, not filed on ECF)

¹ Due to the sensitive nature of this request, our proposed redactions to the August 12, 2019 Order and the July 24, 2019 status conference transcript will be submitted to Chambers, but not filed on ECF.

Hon. Judge Smith
